EDGAR L. PENNINGTON
RECTOR

Ocala, Florida

July 1st, 1935.

My dear Mrs. Chapman:-

A couple of years ago you were so kind as to send me some notes on the Penningtons of Virginia; and you told me that when I have located the first Pennington ancestor in Georgia, you would be able to help me in tying up the links. This morning I found in Vol. II. of MEMOIRS OF GEORGIA, p. 580, a sketch of my great-uncle, W. B. R. Pennington, in which it was said that:-

THOMAS PENNINGTON (his grandfather) was a native of Virginia and came to what is now Hancock county, Georgia, shortly after the revolutionary war; that he settled in Warren county, Georgia; that he moved thence to Jasper county, Georgia; that he married Leitha Bell.

SAMUEL PENNINGTON (father of W. B. R. Pennington) was born in Warren county, Georgia, in 1800; and married Eliza Shy.

(I have the list of the 7 children of the above, with the dates of their birth. My grandfather, James H. M. Pennington, was the second child).

I am enclosing the data you sent me, so that you will not have to cover anything you have already written out. There are several Thomas's in the notes so kindly mailed me; and I am very confident that the Surry county line is the one. Still, I do not feel like making any dogmatic statements on the subject, till I hear further from you. The publisher of the ABRIDGED COMPENDIUM OF AMERICAN GENEALOGY has recently written me to try to get my record; and I am anxious to mail him my notes as nearly complete as possible, in a few days. If you have some other Pennington material, beside what you sent, which you can supply me, I shall be very grateful.

Thanking you cordially, and with best wishes, I am,
Sincerely yours,

Edgar L. Pennington.
